BECOME A TYPEWELL TRANSCRIBER

- Do you like to learn?
- Are you a fast, accurate typist?
- Do you have excellent language skills?

If you answered yes to all of these questions, you may be who we are looking for.

*TypeWell Transcribers use laptops with specialized software using abbreviations to transcribe meaning-for-meaning class lectures and discussions for students with disabilities. The students read the transcription in real-time. **For more information, visit sds.utk.edu/transcribers***
